

## Summer Reading

This summer you will choose one book to read and report on. Please have the completed book report with you on the first day of school (see attached template). Answer the questions in complete sentences. Be prepared to take the AR test and talk about the book you read.

- Number the Stars by Lois Lowry (AR Level 4.5)
- Squirm by Carl Hiaasen (AR Level 4.9)
- Peak by Roland Smith (AR Level 5.0)
- Ugly by Robert Huger (AR Level 5.7)

## Summer Postcard

Send me a postcard from a place you will travel to or visit this summer! I would love to hear about your summer adventures! Also, include a fun fact about yourself so I can get to know you better:) I will create a bulletin board of all the postcards so you can see where your classmates have been.

Ms. Olson  
St. Lawrence Martyr School  
1950 S. Prospect Ave.  
Redondo Beach, CA 90505

## Math Practice

Remember to keep up your math skills over the summer! Continue to work on and review the IXL lessons you did this year or work ahead on new skills. Also, review your multiplication and division facts families up to 12 so you'll be ready to dive in the first week of 5th grade!

**SO EXCITED TO BE YOUR 5TH GRADE TEACHER! HAPPY SUMMER!**
