**"The very first Easter taught us this:
that life never ends and love never dies." –Kate McGahan**

Dear HNM School,

It's almost unbelievable that we're just days from Easter, which traditionally marks the final sprint of our school year. As we approach the home stretch, I wanted to take this opportunity to thank you for your unwavering dedication and commitment to our students. I also want to extend my gratitude to all of our teachers, staff, and volunteers for their hard work and determination during this school year.

Approaching the end of the school year brings a mix of challenges and rewards. As we near the culmination of our hard work, it's a moment to reflect on the past months and look forward to the achievements we'll celebrate. The progress of each student, lessons learned, and obstacles overcome underscore our collective successes. It serves as a testament to our school's resilience and strengthens our commitment to education.

Entering the final stretch, it's vital to remember that our students see us as role models. They observe our every move and learn from our actions. It's crucial for us to continue setting positive examples and motivating them to finish strong. Our guidance and support can greatly impact their academic successes and personal growth.

As we look ahead to the rest of the school year and beyond, let's maintain our collaborative efforts with unwavering determination and focus. It's essential that we uphold our promise to create a safe and supportive learning environment for our students. Our goal is to steer every student toward unlocking their full potential, and I believe that, together, we can achieve this.

It's also relevant to contemplate the profound Easter narrative and its central figure, Jesus Christ. Easter symbolizes rebirth and revitalization, themes deeply ingrained in the story of Jesus' resurrection. This tale holds not only religious importance but also imparts timeless wisdom on hope, resilience, and the strength of faith. These values resonate with our educational mission, motivating us to instill hope in our students, inspire them to persevere through obstacles, and foster a community where belief in one another and oneself is paramount. As we celebrate Easter, may we draw inspiration from its message to enrich our lives and the lives of those around us.

This Easter, amid the lively spring break, presents an opportune moment for reflection and rejuvenation. I encourage everyone to seize this chance to unwind, enjoy meaningful moments with loved ones, and engage in activities that bring joy and peace. It's also a suitable time for us to ponder our personal and collective development in recent months. May this Easter season fill us with renewed vigor and hope as we approach the final stretch of the academic year. Together, let's make it a fruitful and successful conclusion to our school year.

I extend warm wishes for a blessed Easter. Thank you for your unwavering commitment to our students and HNM community. May God bless you and your families during this season and always.

With a Grateful Heart,
Brenda Berumen
HNM Principal

WEEKLY LENTEN RESOURCES

Thank you for walking together in faith this Lenten season. Below are your links for our last week of our journey through Lent to Easter. I pray that the Easter Triduum, which begins today at dusk and ends at dusk on Easter, is a way to truly connect with our loving Father.

The wonderful part of our journey to Easter is that the 50 days of the Easter season begins with Easter Sunday and continues through the Pentecost. Let's keep growing in faith, one simple day at a time.

Have a beautiful and blessed Easter from all of us to all of you.

REFLECTING SUNDAY'S GOSPEL MESSAGE

Mark 16:1-7

REFLECTING THE WORD

As parents, we are concerned with the details of daily life (who will roll back the stone for us), and we often find what we are worried and concerned about had already been taken care of (the stone was already moved). This Easter, may we, like the women at the tomb, encounter the surprise, the amazement, the joy of God's plan being fulfilled in the resurrection of his Son. Even in our worry, doubt, or confusion, let us be restored and find our hope in the risen Christ.

.....ON THE WAY TO MASS.....

In today's Gospel, the women at the tomb were utterly amazed. When was the last time you were truly amazed by something?

ON THE WAY HOME FROM MASS.....

The women at the tomb were changed by the events of that first Easter morning. How do the events of that day make a difference in my life today?

LIVING THE WORD

Jesus rose from the dead two thousand years ago. Think about all the people in your life whose lives have been transformed by the risen Christ. Make a timeline and list all the people in your family, going back as many generations as possible. Widen your list to include people in your neighborhood, or people in your Church (including the saints) who were transformed by Jesus' resurrection. God has a plan for all of creation to enjoy fullness of life with him. Leave some space on the front of your timeline to write about how you are working with God to bring about his plan.
