Celebrating our Teacher of the Year, Mrs. Carole Chambers at HNM!

Dear HNM Parents,

We are thrilled to celebrate a remarkable milestone at the upcoming Chamber of Commerce Teacher of the Year dinner, where Mrs. Carole Chambers will be honored for her extraordinary contributions to HNM. This special event is a testament to Mrs. Chambers' unwavering commitment to excellence at Holy Name of Mary School, and we invite you to join us in applauding her achievements.

Since her arrival in 2001, Mrs. Chambers has been a cornerstone of our community, initially enriching our physical education program before broadening her impact to include computer science in 2005. Her dedication to integrating technology into our curriculum has been transformative, exemplifying her forward-thinking approach to education.

Mrs. Chambers' dynamic role extended beyond the classroom when she took on the position of athletic director, inspiring students through her leadership in volleyball, basketball, and softball. Her passion for fostering a love of learning and growth led to the helping in the development of an after-school robotics club in partnership with Damien High School and the establishment of a makerspace. These initiatives reflect her commitment to providing students with innovative opportunities to engage in STEM fields, nurturing their curiosity and critical thinking skills.

Above all, Mrs. Chambers' compassionate and nurturing demeanor has profoundly impacted numerous students, parents, colleagues, and members of the community. She stands as an exemplary figure, epitomizing the virtues we aim to cultivate in our students. Beyond her classroom contributions, Mrs. Chambers has been instrumental in our school's technological advancement, serving on the Technology Committee of the school board, and playing a pivotal role in grant writing and the development of our makerspace. Her involvement in IT and the Student Information System (SIS) underscores her comprehensive skill set and dedication to our school's success.

Mrs. Chambers' influence reaches beyond the school walls, extending her impact into the community through volunteer work at HNM Parish. Her service-driven spirit and commitment to making a difference embody the essence of living in faith. The legacy of Mrs. Chambers is one of empowering students and colleagues, inspiring excellence, and leaving a lasting positive impact on future generations. We are profoundly grateful for her leadership and commitment to HNM, and as we honor her achievements, we look forward to continuing our collaborative journey of growth and innovation.

Congratulations to Mrs. Chambers on her well-deserved recognition as Teacher of the Year. Her passion for education and technology inspires us all, and we are privileged to have her as part of our school family. Let us celebrate and support Mrs. Chambers and all our dedicated teachers, who play a pivotal role in shaping the minds and hearts of our future leaders every day.

P.S. You are cordially invited to our First Friday Mass tomorrow, organized by the Kindergarten class. This will be followed by the First Saturday Mass on May 4th at 5pm, hosted by the Pre-K and 4th Grade students.

With a Grateful Heart,
Brenda Berumen
HNM Principal

REFLECTING SUNDAY'S GOSPEL MESSAGE

John 15:9-17

REFLECTING THE WORD

Jesus wants a close and loving relationship with us, and he promises a full life of complete joy. He shows us that to find joy we must love one another. Jesus wants to be a model for our loving; we can look at how he loves and see how we ought to love others in return. Of course, sometimes this is difficult for us to do, even for us to love those in our own family. But the Gospel tells us that we did not choose Jesus; he chose us. In choosing us, he gives us the strength to love one another, even when it is difficult.

.....ON THE WAY TO MASS.....

What do you love about your friends? What do you like to do with your friends? In today's Gospel, Jesus calls us friends. How would others know that Jesus is my friend? How do my words, my actions, and what is in my heart show Jesus that he is my friend?

ON THE WAY HOME FROM MASS.....

Jesus said, "I have told you this so that my joy may be in you and that your joy may be complete." How would you describe complete joy?

LIVING THE WORD

Jesus invites us to love one another. What does that look like in your family, your neighborhood, your school, or your work environment? Make a list of (1) how you have loved others this week, and (2) how others have shown you love this week.

What list is longer? How might this inspire or challenge you as you strive to follow the command to love others this week?
