PRINCIPAL'S CORNER

Dear HNM Community,

What a wonderful yet exhausting week we have had. We welcomed two cohorts onto our campus: In-Person Service Program and School Age Child Care Cohort. Watching the students socially distance on the field while flying kites on Wednesday afternoon was so much fun! What a wonderful idea as it supports social distancing while promoting children's laughter and growth. We are almost finished with the waiver; it wasn't nearly as hard as we thought. We hope to have it in by Friday, if not, then Monday.

Thank you to all those who are coming to the Scavenger Hunt. We have a total of 162 children coming. Make sure to dress up in costume and try to guess which teacher will be at the next stop. Make sure to wear a mask! The hunt starts off in front of the church by the big blue umbrella, then you will drive to different destinations outlined in the clues to find your next item and clue!

Be SAFE this weekend and Have Fun!

ALL SAINTS DAY

SOLEMNITY of ALL SAINTS

Matthew 5:3-12a

Reflecting on the Word

The Solemnity of All Saints is a celebration honoring all men and women who have followed in the footsteps of Jesus. The blessed, or happy, are those disciples who are simple and humble before God, those who mourn for others, those who are poor and hungry, those who forgive and show mercy, those who seek peace, those who fight for justice, and those who respond to evil and suffering with goodness. Jesus teaches that true happiness and joy comes in following this difficult road to discipleship.

.....ON THE WAY TO MASS

Do you think it's a blessing to mourn or to hunger or to be persecuted?

ON THE WAY HOME FROM MASS.....

Being Jesus' disciple is very hard, but the saints are wonderful examples that ordinary people can do it. Which Beatitude can we practice today?

Living the Word

During evening prayers, thank God for the gifts we receive (the people in our lives, God's love and mercy, our many blessings). Create a "thanksgiving" tree: cut out leaf shapes in fall colors. Each child should write what he or she is thankful for on a leaf. Place some branches in a vase and tie the leaves to the branch. Each day, add another leaf to your tree. Talk about how many blessings God has given, and how we should remind ourselves to be thankful for these gifts.
