

Holy Trinity Parish School

Forming Saints and Scholars

Dear Families and Friends,

We at Holy Trinity School understand the importance of a Catholic Education. As an active ministry of Holy Trinity Parish, the Archdiocese of Los Angeles, and the Catholic Church, our school exists to impart and promote our Catholic faith to future generations. We believe that we share in the gospel mission to proclaim the goodness of God and in partnership with families and to assist in the total development of the children we teach. We are dedicated to the full academic and spiritual growth of our culturally diverse children through enduring devotion and care with Jesus Christ as our model and perpetual guide.

This is a very important time in your child's educational life. There is no doubt that education is the key to a brighter future. It is the goal of Holy Trinity School to build upon the foundation that you, as parents, have established. We provide opportunities for your child to excel academically through small sized classes geared to meet individual needs including honors level classes at the middle school level. Students also have opportunities to participate in academic contests and to use integrated technology across the curriculum using our 1:1 iPad and Chromebook program. Students are challenged to grow in their faith through daily prayer, weekly Mass and adoration of the Blessed Sacrament, daily religion classes, and frequent opportunities for service to God and others. Our student electives program grows and adapts to meet the needs of our student body. Electives have included music, art, dance, drama, foreign language, martial arts, computer programming and student film making, STEAM education, and more. Our academic test scores demonstrate consistent above average student mastery of Math and Language Arts, and 100% of all 8th grade students are consistently accepted into the High School of their choice, with most pursuing their continued education at a Catholic high school. Most importantly however, the character of our students, teachers, staff, and families speaks of who we are and what we are about.

We invite you to visit our school. To schedule a private tour, please contact our school office at (323) 663-2064. Financial assistance and scholarships are available. A Catholic education is an advantage for life, and all families earnestly seeking that education will be provided with financial assistance. We look forward to meeting you and your child!

Love and Prayers,

Ms. Karen Lloyd
Principal
