		1—8	3—8
Ms. Vargas		Arts & Crafts	
		1—5	

Day Care is also available from 12:30pm - 5:00pm each day.

Instructor:	Ms. Barraza		Kindergarten Skills
Incoming: TK—1st Graders	Students who enroll in this course must be toilet-trained/able to use restroom facilities with no assistance. Students entering TK will have the opportunity to familiarize themselves with social and developmental skills defined by the TK Curriculum. Incoming Kindergarten through 1st Grade students have the opportunity to strengthen basic academic skills, developmental skills, and routines throughout the program.		

Instructor:	Ms. Rampone		Adding and Subtracting Fun
Incoming 1st—3rd Graders	Students develop addition and subtraction strategies and other number sense concepts. Taught in small groups so every child receives individual attention. Students will enjoy the hands-on activities that will reinforce previously taught concepts and will strengthen their skills for the new school year.		

Instructor:	Ms. Rampone		Reading & Writing
Incoming 1st—3rd Graders	Students practice to strengthen oral reading, reading comprehension skills, fluency, vocabulary, and writing. Taught in small groups so every child receives individual attention through fun projects and through Accelerated Reader summer reading program.		

Instructor:	Ms. Rampone		STEAM
Incoming 3rd—8th Graders	Students will participate in fun, hands-on science, technology, engineering, art, and math activities, projects, and experiments to make STEAM concepts come alive!		

Instructor:	Ms. Nelson		Multiplication Camp
Incoming 3rd—5th Graders	Master the multiplication facts through small group activities and hands-on learning. Set your child for success in math!		

Instructor:	Ms. Nelson		Spanish
Incoming 4th—8th Graders	Learn the basics of Spanish in a fun and engaging environment!		

Instructor:	Ms. Nelson		Reading and Writing
Incoming 3rd—5th Graders	Students practice and strengthen oral reading, reading comprehension skills, fluency, vocabulary, and writing. Taught in small groups so every child receives individual attention through fun projects. A great way to take care of your Accelerated Reader summer requirement!		

Instructor:	Ms. Abby		Guitar / Piano
Incoming 1st—8th Graders	Music fundamentals and theory, a fun and interactive class lesson, and an opportunity for solo performances.		

Instructor:	Ms. Lloyd		Reading and Writing
Incoming 5th—8th Graders	This course will provide a review of reading and writing skills for students who need to pass on to the next level. Advanced skills will be offered for those who want enrichment. A great way to take care of your Accelerated Reader summer requirement!		

Instructor:	Ms. Lloyd		Fractions, Decimals, and Percents
Incoming 5th—8th Graders	Addition, subtraction, multiplication, and division of whole numbers decimals, and fractions as well as an exploration of percents will be reviewed through games, projects, and traditional assignments.		

Instructor:	Ms. Lloyd		Algebra & Problem Solving
Incoming 6th—8th Graders	Students will engage in an accelerated review of pre-algebra and will strengthen problem solving through games, projects, and classwork. Students must have a strong command of basic math skills (addition, subtraction, multiplication, and division of whole numbers, decimals, and fractions) to take this advanced course.		

Instructor:	Mr. Villalobos		Computer Keyboarding
Incoming 1st—8th Graders	Students will learn proper keyboarding skills and participate in skill drills in order to increase speed.		

Instructor:	Mr. Villalobos		Tech and Movie Making
Incoming 3rd—5th Graders	Students will learn and practice the basics of movie making and stop animation including use of a green screen.		

Instructor:	Ms. Vargas		Arts and Crafts Fun
Incoming 1st—5th Graders	Students will have the opportunity to complete a variety of fun art and crafts projects using different media.		

Instructor:	Miss Abby		Drama
Incoming 2nd—8th Graders	Basics of acting through exercises, improvisation, monologues, and scene study, while strengthening creative self. A fun class for all!
