Movies

Drama

Mass

Math Games

Field Trips

Technology

Library Trip

And more...

The school will be under construction over the summer but that's not slowing us down! We're having camp under the tents in the parking lot! A little less structure and a lot more fun! The day will be filled with activities and games, reading and more. Students entering grades 5 – 8 who are required to attend summer school will have focused subject tutoring as well as Accelerated Reader time to complete the Summer Reading Requirement and Math Facts Practice to ensure reading and math fluency.

Please fill out the registration form on the reverse side and submit your deposit. Payment in full is due no later than the 1<sup>st</sup> day of classes (June 26<sup>th</sup>) unless special payment arrangements have been made with the school office.

Tuition assistance is available to families who can assist with set-up and tear-down of tents/tables/chairs each week. Please contact Mrs. Torres for more information.
